

## Clean Economy Network - Houston February 22, 2011 at 6PM Presents Green Building Panel Discussion

### Please Join Us For a Panel Discussion on the Green Building Rewards, Challenges and Future Plans.

Learn about current green industry trends, applications, and opportunities in green building designs. Our experts will talk about Houston's programs for green building efforts and the Weston's green roof systems, share experiences of building LEED Commercial Interior (CI) Gold office space, offer business owner's prospective in striving for green designs and operations. The discussion will include the following panelist:

- Laura Spanjian – City of Houston Sustainability Director.
- Federico Marques – Co-Owner of Ruggles Green Restaurant.
- Rives Taylor - FAIA, LEED AP, Principal Director of Sustainable Design, Gensler.
- Barbara Denson – Director of Origination for Global Markets, Green Grid Roof Systems at Weston Solutions, Inc.
- Tyra Rankin – Moderator.
